October Is Vocational Service Month

Fred & Pat Davis' African Safari

Woodbury Rotary Lunch Club member Fred Davis and wife Pat have a wonderful program on their 2005 African safari vacation from 9/28-10/15 which included stops in the Netherlands. Shown through a slide show set to a beautiful selection of music, Rotarians enjoyed their adventure and saw fascinating photos of the many animals seen throughout their vacation including elephants, tigers, giraffes, antelope, zebra, lions, kangaroo and even migrating birds and an ostrich! An incredible trip providing a lifetime of memories!

The World Polio Day is celebrated on 24th of October each year with the aim of increasing awareness about polio virus. The day also aims at motivating further actions for bringing down the chances of the virus from spreading. The celebrations on the day also showcase the success of international strategies for bringing down the spread of the disease.

Facts about polio:

Polio facts state that it is a highly infectious disease that aims at the central nervous system, thereby leading to paralysis attacks.

About vaccines:

One of the major medical improvements that took place in 20th century was the development of effective vaccinations for prevention of paralytic polio. With the introduction and evaluation of pair of oral polio vaccines in the year 2016 and the global initiative to eradicate this disease now have five varied vaccines for cessation of polio transmission. The vaccines are:

Oral Polio Vaccine (OPV)

Monovalent Oral Polio Vaccines (moPV1 and moPV3)

Bivalent Oral Polio Vaccines (boPV)

Inactivated Polio Vaccine (IPV)

When most of the kids in a particular community are properly immunized, the virus will be deprived of susceptible hosts and so it will die out. The Global Polio Eradication initiative is constantly assessing the effective use of varied vaccines for prevention of paralytic polio and for cessation of transmission of this virus in different countries of the world.

On this World Polio Day, let us be informed about this deadly virus and let us get our kids under five years vaccinated on polio vaccine day to do our part to prevent polio worldwide.

Jackpot Tickets Can Only Be Bought & Won by Club Members

How to help disaster victims

Severe storms, and hurricanes have wrecked havoc across mainland United States, the Virgin Island and Puerto Rico. The Rotary Foundation and Rotary clubs in affected areas are helping bring emergency aid to battered communities.
