23 February 1905 - Happy Birthday Rotary International

A Brief History

In 1896, Paul Harris came to Chicago to practice law. One evening, in the early 1900's, Paul went with a professional friend to his suburban home. After dinner, as they strolled through the neighborhood, Paul's friend introduced him to tradesmen in their stores. This reminded Paul of his grandparent's home in New England. "Why not have a fellowship composed of businessmen from different occupations, without restrictions of politics or religion?" he thought.

February 23, 1905, Paul Harris had dinner with his closest friend, Chicago coal dealer Sylvester Schiele. Afterwards they walked up to Room 711 of the Unity Building where they met their host, Gustavus Loehr, a mining engineer; and another friend, Hiram Shorey, a merchant tailor. Harris proposed that they form a club. No name was chosen for the group. But they agreed to meet next at the offices of Sylvester Schiele. The second meeting was March 9th. Three other men, Harry Ruggles, William Jenson, and A. L. White joined them. Ruggles was a printer, and created the "name badge" version of the Rotary "wheel" and also started singing in Rotary. In fact his singing kept the group from disbanding more than once. It was also decided that "rotating" the meetings made "Rotary" the most logical name. Two weeks later the group gathered at the office of Sylvester Schiele, in his coal yard at Twelfth and State Streets. Six of the previous seven were present along with Charles Newton and Arthur B. Irwin.

Who was the first Rotary president? Sylvester Schiele. When it came time for the meeting to be held at A. L. White's place of business (at Englewood), the location was "inconvenient" and thus was the first Rotary meeting in hotel. As with many new ventures, some new members didn't remain. Shorey and Loehr, half of the original four were not active after the first few meetings. When did weekly meetings begin? According to the general secretary in 1948, it was Oakland #3 in 1909.

Another important event at the 1911 Portland convention was the platform brought forward by Seattle #4. This platform, is still essential to the philosophy of Rotary today.

There are over 31,000 Rotary clubs, in 164 countries, whose members carry on club, vocational, community and international service. The Rotary Foundation of Rotary International annually spends some \$105 million on international education and humanitarian programs, providing grants which save lives and improve conditions throughout the world. Rotary also sponsors international ambassadors of good will through educational awards to university students and teachers, and through international exchange of business and professional people. Today the Rotary Foundation scholarship program is the world's largest privately funded international scholarship program. Approximately 1,100 scholarships are awarded annually. Rotarians have raised some 438 million dollars for the PolioPlus program alone as well as provided thousands of volunteers to administer the vaccine around the world.

Woodbury Rotary Lunch Club President Roger Jones thanks Miladys Delano, for a very informative and eye opening program.

Miladys Delano, MSN, RN, APN, ACNP-BC

What is Heart Disease?

- Heart disease refers to what is really a group of conditions that affect the structure and functions of the heart and has many root causes.
- Coronary Artery Disease
- Heart Attack
- Angina
- Heart Failure
- Arrhythmia
- Heart Valve Problems

Miladys Delano, MSN, RN, APN, ACNP-BC at Inspira Medical Group for a very informative and eye opening program at this last Tuesday's meeting. She spoke about Heart Disease as the #1 cause of death in the US killing 610,000 every year, one every 34 seconds. The avg age for a heart attack in a woman is 72 and 65 for men. She discussed risk factors we can control such as alcohol, nicotine, diet, exercise & stress vs those we cannot such as genetics, age and gender. She provided literature and handouts for all ! A great program coordinated by Rotarian Ed Barry.
