Maternal and Child Health Month

Preventing cervical cancer in Kenya

By Judy Wolf, Immediate Past President of the Rotary Club of Davis, California, USA

Kenya is a land of utter beauty, stunning exotic animals, crowded road-side markets, robust farmlands, and friendly people. Astonishingly, nearly 5000 Kenyan women are diagnosed with cervical cancer each year, and 50% will die from this disease. A disease that is nearly 100% preventable.

Our vocational training team left for Kenya in October 2016 in hopes of making a difference in the lives of these brave women. We couldn't help but feel a sense of pride, knowing that we were a part of a team, organized by the Rotary Club of Davis (United States) through a Rotary Foundation Global Grant, sent to Kenya to provide cervical cancer screenings, treatment, and education to women in the poor and needy region of South Nyanza. Kenya has a population of almost 13 million women aged 15 years and older who are at risk of developing cervical cancer. The bedrock of economic life in Kenya revolves around women working in their prime. And when we save women, we save their children as well.

During our first team visit, we set up medical clinics at Homabay County Referral Hospital and Kendu Bay Sub-District Hospital. The medical team, consisting of a medical director, four doctors, and a native Kenyan nurse practitioner, spent the first seven days at Homabay where 163 cervical examinations were performed. These routine examinations led to four women needing cryotherapy to freeze lesions and three women receiving the lifesaving Loop Electrosurgical Excision Procedure (LEEP). Sadly, one of the ladies was discovered to have terminal cervical cancer. Our team was in awe of her courage and strength as she sat with her husband while the Kenyan physician explained to her the stark truth of her situation. We will never forget this beautiful woman and her husband.

Kendu Bay Sub-District Hospital was our next life-saving visit. There, the team examined 215 women and performed five cryotherapy treatments and six LEEPs. Thankfully, most of the women were found to be disease-free.

We are proud to report that our trip was successful. The team trained Kenyan physicians and nurses on how to identify cervical lesions, and now the trained doctors and nurses are equipped to carry out the work and train other Kenyan medical professionals.

We look forward to our second team trip in June 2017 to the same region to do follow-up examinations and treatment, and offer additional training. During our final trip in November 2017, we'll hold follow-up examinations, conduct a skills assessment of the trained medical professionals, and donate medical equipment to each of the hospitals.

We are profoundly grateful to The Rotary Foundation and the clubs that supported this life-saving global grant. We share a sense of honor and deep satisfaction to have been able to serve the women of Kenya in partnership with our Rotary community.

John Campbell, Executive Director of The Greater Woodbury Chamber of Commerce

.Always a pleasure to see John Campbell, Executive Director of The Greater Woodbury Chamber of Commerce who was our guest speaker at today's Woodbury Rotary Lunch Club meeting.

Wanda Budd-McIlvaine

John echoed the words of the chambers website stating the chamber seeks to "encourage the betterment of the community "in which its members live and work by providing a diverse business and social foundation upon which it can engage in advocacy, service and fundraising. The chamber is 282 members strong, was founded in 1962 and is made up of business and professional members as well as civic leaders who

meet to exchange ideas, socialize and network with one another. The chamber headquarters is located at 36 S. Broad St. in Woodbury.

John spoke about the many gatherings and events the chamber is involved in most notably the annual "Dancing with the Gloucester County Stars" a fundraiser in its 13th year with contestants ready to dance and raise funds for their local charities with the finale Sept. 27. The chamber also has coffee clatches held every other Wed. from 8-9 am at various members place of business ! The chamber also holds an annual golf outing (this year May 11th at Riverwinds) & also awards scholarships each year to students at Woodbury, Gateway and West Deptford.
