## What is Vocational Service?

Vocational Service is one of Rotary's Avenues of Service. Vocational Service calls every Rotarian to:

- Aspire to high ethical standards in their occupation;
- Recognize the worthiness of all useful occupations, and;
- Contribute their vocational talents to the problems and needs of society.

Rotarians, clubs, and districts should implement the following strategies in their support of Vocational Service:

- Strengthen the emphasis on vocation and classification in new member recruitment and induction.
  - Identify means of emphasizing vocation in club activities.
  - Create a stronger emphasis on business networking with integrity in Rotary at the club and district level.
  - Focus more attention on business networking with integrity as a means of attracting and mentoring the new generation.
  - Emphasize the connection between the Four Way Test and the Rotary Code of Conduct (formerly called: Declaration of Rotarians in Business and Professions) and their importance to the values of Rotary.
  - When professionals join a Rotary club, they do so as a representative of their classification – their particular business or profession.

### ROTARY CODE OF CONDUCT

#### As a Rotarian, I will

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve in Rotary
3. Conduct all of my personal, business, and professional affairs ethically, encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community
7. Honor the trust that Rotary and fellow Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or fellow Rotarians
8. Not seek from a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship

Rotarians have the dual responsibility of representing their vocation within the club and exemplifying the ideals of Rotary within the workplace.

One of the central goals of Vocational Service is to promote and advance Rotary's high ethical standards. Two useful tools Rotarians have to assess these standards are The Four-Way Test and The Rotary Code of Conduct.

# The Guatemala Literacy Project

The Guatemala Literacy Project (GLP) works to help impoverished Guatemalan communities lift the next generation out of poverty by providing schools with educational tools (like books and computers), training for teachers, and scholarships for students. We offer holistic and sustainable support through four complementary programs:

## Textbook Program

The Textbook Program provides vital books to middle schools in core subjects like math, science, social studies, and Spanish and trains teachers to use them effectively in the classroom.

## Computer Centers Program

The Computer Centers Program gives indigenous youth the opportunity to use technology to solve real-world problems, while developing the computer skills needed to secure better jobs after graduation.

## Culture of Reading Program (CORP)

The Culture of Reading Program (CORP) trains teachers in effective reading instruction and provides them with books so that they can transform their students into enthusiastic, competent, and lifelong readers.
