

Alejandro - Spain

Alejandro, or Alex as he prefers to be called, is a 16 year old boy from Malaga, Spain. He will be a junior in high school next year. His father is an orderly and his mother, a primary school teacher. He has one older brother who is a university student. In addition to Spanish, he lists his English skills as fluent and his French skills as Fair. He has studied English for 9 years. Alex likes sports, especially baskeball. From this year, he hopes to improve his English, learn about another culture and get to know himself better

Alex is hosted by the Atlantic City Rotary Club and is attending Mainland Regional High School
