

It is almost that time again: Back to School. Each year The Woodbury Rotary Club raises funds to participate in their project **Back Pack for Kids**. This project allows the club to purchase school supplies and back packs, which will benefit students in the Woodbury Elementary School District grades K-5.

Each back pack is filled with essential school supplies that are needed for the classroom and home of each student. Woodbury Rotary receives donations and purchases all the supplies needed for each individual grade. Member of the club fill the back packs and drop them off at the school in early September.

Last year the club collected over \$1,600 for the purchase of 60 back packs, which were donated to the West End Elementary School in Woodbury; and 10 back packs for the Seeds of Hope Ministry.
