

Rotary International District 7640  
Seeks Medical Professionals for  
Group Study Exchange to Uganda and Kenya  
April 2-April 23, 2012

Rotary International District 7640 is currently recruiting medical professionals with the following specialties to participate in a Group Study Exchange to Uganda and Kenya from April 2-23, 2012.

Endocrinologist - Oncologist  
Orthopedic Surgeon - Neurology Physician  
Gastroenterologist - Physiotherapist  
Emergency Medicine - Physician or Nurse  
Radiologist - Ent Specialist  
Tropical Medicine Specialist - Nurse Tutor/manager  
Bio-medical Statistician - Endoscopy Nurse  
Laparoscopist

During the Group Study Exchange, team members experience the host country's culture and institutions, observe how their vocations are practiced abroad, develop personal and professional relationships, and exchange ideas.

The Group Study Exchange Team itinerary will be coordinated by Rotary District 9200 (Uganda and Kenya). Team members will be asked to give presentations and participate in discussions specific to their medical expertise to their Uganda and Kenyan counterparts. The team will be hosted by Rotary Clubs throughout the District who will be responsible for taking the team to visit the economic and cultural highlights of the region as well as Rotary projects. Team members will stay in the homes of local Rotarians. The RI Group Study Exchange program is funded by the Rotary Foundation. There are no costs for the team members. Team members CAN NOT BE ROTARIANS OR RELATED TO A ROTARIAN. Applicants must live or work in Rotary District 7640 which includes the southern 6 counties of NJ.
