### **Mays Landing Club Has Contributed Much to Its Community**

The Rotary Club of Mays Landing was chartered June 13, 1945 as part of an exceptionally busy year for what is now District 764. During 1945, six of the current 64 clubs in the district were chartered.

Charter Night for Mays Landing was June 26, 1945 at the First Methodist Church in Mays Landing.

The call to order was by Special Representative Harold A. Stanton of the sponsoring Pleasantville Rotary. Music was provided by the acclaimed Salem Rotary Quartet. Other highlights included the keynote address by Past District Governor Rev. Thomas V. Wingate (Salem, 1938-39) and the charter presentation by Emmor Roberts of Vincentown Rotary, who was the reigning district governor.

Some Mays Landing Rotarians during PDG Pete Fraleigh's tenure as District Governor in 1976-77- Pictured are (left to right): Don Hoy, unknown, George Aaron, John O'Hanlon, Dave Wood, PDG Fraleigh, Bert Boakes, Vince Contillion, Robert Mander, Bill Davies, Robert Ravel, Bill Laws, Michael Duberson and Bill Stockton.

Charter president of Mays Landing Rotary was J. Harold Duberson. Other charter officers were H. Lee Danenhauer, vice president; Robert Luderitz, secretary; Thomas J. Chard, treasurer; and Frank A. Kovar, sergeant

at-arms. Directors included Maurice F. Aaron, Otto Eklund, Otis B. Luderitz, Joseph Venuti, and Elmer A. Hummell.

Mays Landing has been a vibrant and highly active club over the years, contributing much to its community.

These are just a few of the club's numerous programs and activities:

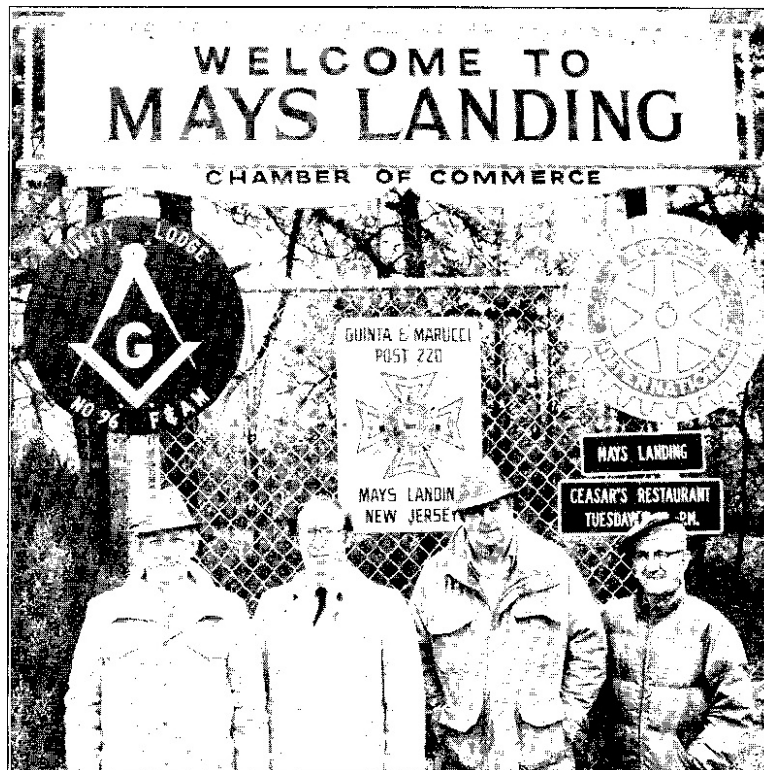

Mays Landing has provided swings for local school playgrounds; provided funds for a new ceiling in the school auditorium; donated benches for the city parks; made annual awards presentations to local public and parochial schools; paid for and had installed an electronic scoreboard; participated vigorously in the community's annual Halloween Parade; worked diligently in conjunction with the Atlantic City 4-H Fair; sponsored a Career Day at the local school; sponsored both the Egg Harbor City and Absecon Rotary Clubs.

Additionally, Mays Landing Rotary traditionally hosts a family picnic, sponsors a golf outing, has a Christmas Party for the needy, and has a cruise on the Great Egg Harbor River.

During the 1976-77 Rotary year, Monroe E. "Pete" Fraleigh served the district as its governor.
