Promoting Peace

Conflict and violence displaced more than 68 million people in the past year, and half of those are children.

We refuse to accept conflict as a way of life. Rotary projects provide training that fosters understanding and provides communities with the skills to resolve conflicts.

HOW ROTARY MAKES HELP HAPPEN

Through our service projects, peace fellowships, and scholarships, our members are taking action to address the underlying causes of conflict, including poverty, inequality, ethnic tension, lack of access to education, and unequal distribution of resources.

Rotary makes amazing things happen, like:

Improving quality of life. Rotary members founded the People for People Foundation, which has helped 10,000 families afford food, clothing, rent, utilities, medications, and other necessities.

"100

peace fellowships are offered each year at Rotary Peace Centers around the world

Raising awareness of bullying. Rotaract clubs in the Philippines conduct antibullying campaigns in schools to teach children how to handle conflict peacefully from an early age

Protecting domestic violence survivors and their families. The U.S. state of Louisiana has the fourth highest incidence of death caused by domestic violence. Local Rotary members met this issue by helping a shelter provide food, clothing, legal advocacy, and counseling to over 500 women in one year.

• \$142 mil

Group Study Exchange

The Rotary Foundation's Group Study Exchange (GSE) program is a unique cultural and vocational exchange opportunity for businesspeople and professionals between the ages of 25 and 40 who are in the early stages of their careers. The program provides travel grants for teams to exchange visits in paired areas of different countries.

For four to six weeks, team members experience the host country's culture and institutions, observe how their vocations are practiced abroad, develop personal and professional relationships, and exchange ideas. In a typical four-week tour, applicants participate in five full days of vocational visits, 15 to 20 club presentations, 10 to 15 formal visits and social events, two to three days at the district conference, three to four hours per day of cultural and site tours, and three to four hours per day of free time with host families.

As a result, Rotarians in the host area provide for meals, lodging, and group travel within their district and organize receptions honoring our guests and vocational visits with those in their area of expertise.

Amy Everwine was a 2006-07 GSE team member sponsored by District 7640 to District 1700 (France/Andorra). Amy is a graduate of Deptford High School, and the University of Pennsylvania.

Rotary Friendship Exchange

Friendship Exchange is an international exchange program for Rotary members and friends that allows participants to take turns hosting one another in their homes and clubs. Participants may travel as individuals, couples, families, or groups, and may be Rotary members or not.

Rotary Youth Exchange (RYE) is a Rotary International student exchange program for students in secondary school. Since 1929, Rotary International has sent young people around the globe to experience new cultures. Currently, about 9,000 students are sponsored by Rotary clubs every year. Typically, students are sent to another country for a year-long stay, generally living with multiple host families during the year and being expected to perform daily tasks within the household as well as attend school in the host country.

The
Rotary
Foundation

Woodbury Rotary Club is making Rotary Foundation recognition points available to match unrestricted cash contributions to The Rotary Foundation's Annual Fund-SHARE. This is a great opportunity for Rotarians to become new Paul Harris Fellows. Do take advantage of this generous donation and support the wonderful work of Rotary International.
